## General information

### Description of the Clinic

The Horse Impulse Clinic is a comprehensive clinic with aims to re-educate the horse to carry the rider correctly and to teach the horse's person responsible to better the horses health and vitality in a multi professional way. The Clinic is suitable for horses & riders of all disciplines and skill levels.

### Expectations and goals of the Clinic

Participants will learn good basic skills with regards to their own horse in several fields: saddle fitting, equine nutrition, farriery, osteopathy, physiotherapy, myofascial release therapy, anatomy, biomechanics, gait analysis, ground work and riding techniques.

The goal is to teach the participants to have good skills in maintaining and improving a healthy and sustainable movement of the horse.

### Closed Facebook group for Participants

Riders, handlers and Equine Professionals will be invited to join a closed Facebook group set up for the Clinic. This group will serve as a platform for communications before, during and after the Clinic. The group aids implementation of the new techniques adapted at the Clinic, participants are offered direct and personal support from the instructors up to 14 days after the Clinic.

### Confidentiality and Respect

Participants are encouraged to participate with an open mind to learning and sharing. The Clinic is an intensive work shop where we share opinions and learn to analyse. The aim is to continuously help the horses move better in a sustainable way, not to criticise or find faults.

We expect all participants to treat all information about the horses and their riders or handlers with confidentiality and integrity. Only this way we can create an open atmosphere where everybody can learn. Participants are free to share with anyone all the techniques presented by the instructors. The confidentiality concerns data and participants private opinions about the participating horses and their riders or handlers. The horses and their riders or handlers make this Clinic possible. By enrolment all participants agree to respect these principles.

### Enrolment and payments

Riders or handlers with horses are kindly requested to enrol no later than May 15<sup>th</sup>, 2018. EP's (see below) and members of the Lecture Audience are kindly requested to enrol no later than June 15<sup>th</sup>, 2018.

All fees are invoiced by Oy Vixen Ab and must be paid in full latest on June 22<sup>nd</sup>, 2018.

### Language

The language of the Clinic and the Facebook group is English. All participants should have a good working knowledge of English as translation services will not be provided. Don't be shy, none of the Instructors' first language is English, we are all going to struggle a bit. By helping each other, there will be no problems.

## Driving instructions, Parking, Final Program, Etiquette at Erkylä, Lunches & Coffees etc

Detailed information about all practical matters will be given later to all groups of participants.

We are privileged to be able to use the splendid facilities of Erkylän Kartano. The indoor arena will be used by the stables tenants always, except during the 2 hours Lecture on Sunday, July 8<sup>th</sup>. Please do not enter the stables, keep to the indoor arena and respect the privacy of the tenants in all possible ways. If possible, we will arrange a guided tour to the stables during the Clinic.

Participants will be offered a possibility to pre-book & pay for lunches. Coffees and snacks will be sold during the whole Clinic. Come together Dinner will be held on Saturday evening at a restaurant in Hyvinkää (not covered in the fees).

### Stabling during the Clinic

Erkylä stables are normally fully booked but you can always try to get stabling during the Clinic by enquiring directly for any vacancies. Please contact Sanna Alaraatikka, telephone 0400-727699, email [sanna.alaraatikka@hotmail.fi](mailto:sanna.alaraatikka@hotmail.fi)

## Groups of Participants & fees

### 1. Horses with riders or handlers (handlers work the horses only from the ground)

The Clinic is open for 8 horses with riders or handlers. The horses are ideally not too far from Erkylä as their saddles, nutrition and farriery will be checked at their home stables as soon as they have enrolled. This way we make sure that all horses meet basic requirements (saddle, nutrition, farriery) and are thus able to fully benefit from the Clinic. These checks and advices are included in the fee. Any additional services by Karin, Kössi or Lina can be agreed upon separately. Horses of all breeds, ages and training levels are welcome.

As space in the premises is limited, only one person per horse (the rider or the handler) may participate in the Clinic program. Therefore grooms, drivers etc can participate in the program only if they enrol separately as Equine Professionals or Lecture Audience.

Full fee for a horse with a rider or handler is euro 500 + VAT 24 %. The fee includes pre-Clinic checks with advices, the Clinic and membership in the closed Facebook group up to 14 days after the Clinic.

### 2. Equine Professional

The Clinic is open for 20 Equine Professional (EP's) without horses. EP's can represent any equine profession (vets, physios, other equine therapists, farriers, saddle fitters, saddlers, trainers etc). EP's can take part in the whole 3-day program of the Clinic.

Full fee for EP's is euro 200 + VAT 24 %. The fee includes the Clinic and membership in the closed Facebook group for up to 14 days after the Clinic.

### 3. Lecture Audience

The 2 hours lecture held between 4 and 6 PM on Sunday, July 8<sup>th</sup>, 2018 is open to a limited Lecture Audience of 40 persons. Tickets must be booked in advance.

Full fee for the Lecture is euro 60 + VAT 24 %.

## Enrolment!

### 1. Horses with riders or handlers

Please give the following information when you enrol:

1. name of rider or handler and the registered name of the horse
2. email and telephone number of the rider or handler
3. address of the stable of the horse (for the navigator when Karin, Lina and Kössi visit the horse). Date of visit will be later mutually agreed on.

### 2. EP's and Lecture Audience

Please give the following information when you enrol:

- name (and profession of EP's)
- email and telephone number

All enrolments (preferably by email) to Karin Rosenlew, Oy Vixen Ab, tel. 0400-489997, [karin.rosenlew@vixen.fi](mailto:karin.rosenlew@vixen.fi)

Welcome to join us! This Clinic will change the way you work and keep your horse!
