

WAVE-LIGHT-PULSE SYSTEME

Price list from 01 February 2022

Our Wave-Light-Pulse (WLP) system combines the use of a pulsed magnetic field with our unique Wave-Light-Pulse Technology. Massage modules can be added if desired.

Intensity and frequency can be adjusted parallel to WLP frequency. The WLP system is a supplemental system for intense treatment of special areas of the horse's body. Easy to use with the multifunction control box.
