The Society of Master Saddlers

Saddle Service Record

Details of Saddle

Make		Width	
Model		Seat Size	
Colour		Serial Number	

Please keep this Saddle Service Record in a safe place and present it to your Society of Master Saddlers Member every time work is done to the saddle. If you sell this saddle, please give this Record to the new owner.

The Society of Master Saddlers recommend your new saddle is inspected regularly both for fit and wear and tear. A complete re-flock should ideally be carried out every eighteen months to two years depending on level of use.
